# Real-Time Station Reporting

The screenshot displays a web application interface for real-time station reporting. The browser address bar shows the URL <https://proarm.prostreaming.net/analytics/realtime/stations>. The page title is "Stations". The user is logged in as "Popstar! Radio".

The left sidebar contains the following navigation items:

- ANALYTICS
  - Dashboard
  - Real-time
- Stations
- Sessions
- Map
- Countries
- Platforms
- Devices

Below the sidebar, there are sections for "Historical" and "SONG HISTORY" (Track lists), and a "REPORTING" section (SoundExchange).

The main content area features a top summary row with three cards:

- Stations / Groups: > 1
- Active Sessions: > 4
- Total Sessions Started: > 4

Below the summary row is a table titled "Real-time Sessions by Station":

Station/Group	SS	AS	%
Popstar! Radio	4	4	100.0 %

At the bottom of the table, it says "Showing 1 to 1 of 1 stations" and includes navigation buttons: "Previous", "1", and "Next".

# Real-Time Mapping

The screenshot displays a web browser window with the URL <https://proarm.prostreaming.net/analytics/realtime/map>. The page title is "Map". The browser's address bar shows navigation icons and search functionality. The application interface includes a sidebar menu on the left with sections for "ANALYTICS" (Dashboard, Real-time, Stations, Sessions, Map, Countries, Platforms, Devices), "HISTORICAL", "SONG HISTORY" (Track lists), and "REPORTING" (SoundExchange). The main content area is titled "Real-time Sessions Worldmap" and features a Google Maps interface. The map is set to "Map" view and shows real-time session data as red circular markers. One prominent marker is located in France, labeled with the number "2". Other markers are visible in the United States and South America. The map includes standard controls like a search bar, zoom in/out buttons, and a full-screen icon. The Google logo and "Map data ©2018 | Terms of Use" are visible at the bottom of the map area.
